

STAFF APPRECIATION WEEK!!!

MAY 3RD-7TH

Caleb Greenwood's PTSO would like to make this an incredible week for our teachers and staff members. PTSO will be providing snacks and treats for the staff, but we need both students and parents to help make the week a success! If you would like to participate and show how much you care, here are some suggestions for the week:

Monday Motivation:

Send some motivating words to your teacher this day! ****Be sure to thank your classroom co-teachers, your Spanish teacher, IB leader, and additional staff too!!!****
