### **IB PYP NEWS!**

learner profile and Action Focus:

## Thinker Lifestyle Choices

Being a **Thinker** allows you to use critical and creative thinking skills to analyze and take responsible action on complex problems. Thinkers weigh facts and opinions when gaining new knowledge and make reasoned, ethical decisions. This discriminate thought and reflection may result in Action in the form of a Lifestyle Choice -- it may impact your decision to take the elevator or stairs in pursuit of healthier living; it may change what you buy or the businesses you frequent; it might have you take a closer look at your news sources; it may even change the way you to get to work! Think about issues and problems from many angles, considering facts and opinions, as well as alternative solutions, when making choices that impact your day-to-day life.

#### What is the IB learner profile?

The International Baccalaureate® (IB) learner profile describes a broad range of human capacities and responsibilities that go beyond academic success. They imply a commitment to help all members of the school community learn to respect themselves, others and the world around them.

#### What is ACTION in the IB PYP?

In the PYP, action is both an application of learning and an opportunity for students to engage in a form of contribution or service. It is integral to PYP learning and to the program's overarching outcome of international mindedness.

## The learner profile & ACTION Connection

Action, the learner profile, and international mindedness work hand in hand to strengthen students' confidence in their capacity to make a positive change in the world. Student-initiated action will be considered a dynamic outcome of a student's learning and an active demonstration of the learner profile attributes. Each month we will focus on a learner profile attribute and how it connects and nurtures a child's disposition towards Action.
