Caleb Greenwood is an authorized International Baccalaureate (IB) World School implementing the Primary Years Program (PYP).

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments, and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate, and lifelong learners who understand that other people, with their differences, can also be right.

### **IB PYP NEWS!**

learner profile and Action Focus:

#### Inquirer Participation

Being an Inquirer means nurturing our curiosity by developing skills for inquiry and research. It means we learn with enthusiasm and sustain our love of learning throughout life. This idea of curiosity and enthusiasm may result in Action in the form of Participation - learning about a problem or a cause may propel you to learn more by participating in a class or learning opportunity; or it may move you to search out an activity to show your support; or it may even drive you to become part of a group who shares the same passion! Talk with your family about what issues and topics are Important to you all. Then do some research together and inquire about ways to Take Action through Participation!

As we move into Thanksgiving and the holidav season, we would like to reflect and express our gratitude to our PTSO, volunteers, and families who have provided treats, coffee, assistance at home and on-campus before and after school hours to support our staff. It's been another challenging year in many ways but your support and Participation in our school community has allowed us to put Kids First. We hope to one day soon have our families and volunteers back on campus and part of our day-to-day activities!

#### What is the IB learner profile?

The International Baccalaureate® (IB) learner profile describes a broad range of human capacities and responsibilities that go beyond academic success. They imply a commitment to help all members of the school community learn to respect themselves, others and the world around them.

#### What is ACTION in the IB PYP?

In the PYP, action is both an application of learning and an opportunity for students to engage in a form of contribution or service. It is integral to PYP learning and to the program's overarching outcome of international mindedness.

# The learner profile & ACTION Connection

Action, the learner profile, and international mindedness work hand in hand to strengthen students' confidence in their capacity to make a positive change in the world. Student-initiated action will be considered a dynamic outcome of a student's learning and an active demonstration of the learner profile attributes. Each month we will focus on a learner profile attribute and how it connects and nurtures a child's disposition towards Action.

### - Participation in Action-

## Share the Ways Your Family Takes Action Through Participation During the Holidays!

Is your family participating in a charity walk during the Thanksgiving holiday? Or maybe you are collecting donations for a local homeless shelter? Or does your family take nature walks and clean up the litter as you go? Do you help animals in need? Whatever your family does together to **Take Action** through **Participation** in the community, we would like to highlight it in the **IB PYP NEWS!.** Please send a picture to Mrs. Cordero at <u>Kelly-Cordero@scusd.edu</u>. ③
