IB PYP ACTION LAUNCH!

September Learner Profile and Action Focus:

Open-Minded Lifestyle Choices

Being *Open-Minded* helps you learn and grow, as well as strengthen your belief in yourself. It opens opportunities to learn about others and how they live and why they believe the way they do. It allows you to gain knowledge and become aware of the world around you. This knowledge and awareness may result in Action in the form of a *Lifestyle Choice* -- it may change how you perceive and interact with people; it may change what you buy or the businesses you frequent; it may change how often you wash your car; it may even change your eating habits! Be open to learning something that will impact the choices you make in your day-to-day lives.

Celebrating Peace Day and Action as Lifestyle Choices!

Last Friday, we celebrated International Day of Peace and also participated in an Open-Minded Lifestyle Choice during our Mix It Up Lunch activity! Tables were labeled with the months of the year and students were encouraged to sit at the table of their birth months. They were also encouraged to strike up a conversation with someone they did not know as a way of being Open-Minded and promoting positivity and peace. Students enjoyed talking about their birthday months and discovering new friends.

Students also took Action by pledging to make Lifestyle Choices that spread Kindness and Peace.

Please let us know what Lifestyle Choices your child or family has made to take ACTION. Let your teacher know or email Kelly-Cordero@scusd.edu.

SNEAK PEEK: PARTICIPATION as ACTION

Later this Fall, we will explore *Participation* as a way to take ACTION. Already this year, some of our Caleb Cougars have been participating in events such as the Climate Strike last Friday.

Way to go, Cougars!
